

AFOLUX All-in-One In-wall Panel PC

8"~15" Fanless Panel PC with Changeable Faceplate and Sticker Skin

Changeable Faceplate
Sticker Skin

Changeable
Faceplate

Easy In-Wall
Mounting

Fanless

An on-board 1.6GHz Intel® Atom™ N270 CPU ensures low power requirements. Metal casing design housing replaces the fan as it helps to dissipate heat.

Changeable Faceplate/Sticker Skin

Multiple faceplate/skin sticker available to match diverse decoration styles

Easy In-wall in minutes

In-wall mounting just three simple steps: cut out the panel, screw on and put on the faceplate

VESA Mounting Compliant
